

Burkitt Photos. 804-1 to 35.

Kanter Collection, Chacula,
+ Quen Santo
(principally).

Burkitt, Cat No 804:

of Kanter: "He began diligently gathering centrifuges: some from as far off as Cermitán, but most from his own neighborhood on Chacula and Quen Santo

Ms. Per Burkitt: Collection dispersed and these are the only photographs. ~~But~~ he had sent us another, from Kanter, as a "repro" which I have numbered "before 804-1", no Burkitt number being given.

Chacula is in Municipio Nantón, Huehuetenango. Villacorta Brockett's following sites in this municipio:

Chacula
Quen Santo
Uaxacanal
Tolombojoch

Burkitt describes the photos 804-1 to 35 under Cat No 804, pp 2+3.

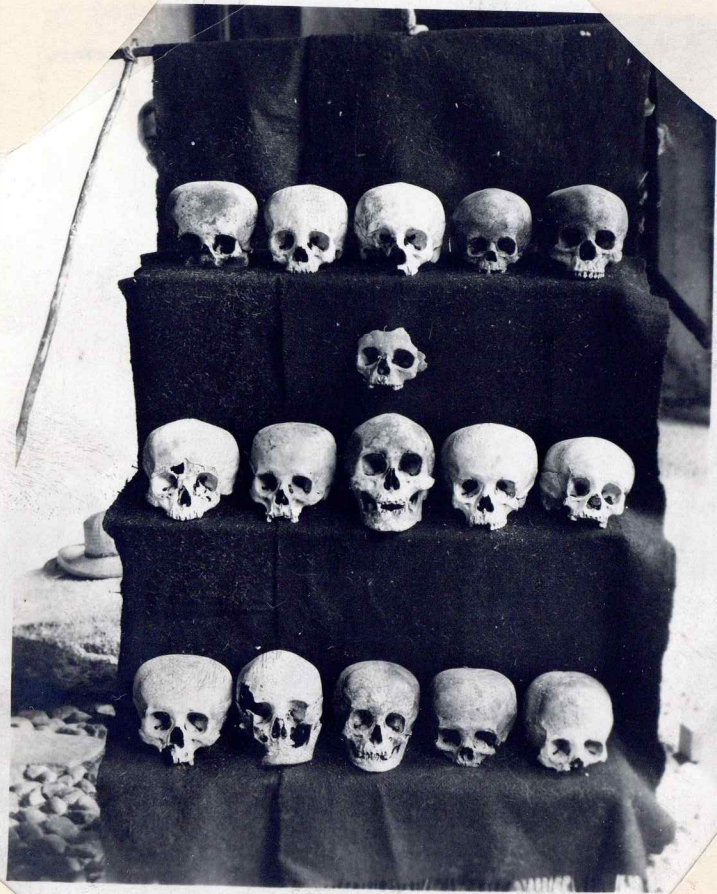

Some of these published in *Mex. Journal*, 15/2

Bussert photo. "Before 804-1".

Chacula
(Kanter
Collection).
(Some times called
Kaehler Coll.).

Presumably the point
mentioned in Bussert's
letter of Apr. 24, 1914.
(Given Bussert by
Kanter as "Keep's a/c").
