

Oversized item not scanned

to ~~last~~ digest.

② Pyrite micros not with large cases, spreading feet, flanged tripods
brunt or lead glaze, not ~~with~~ with black nose

Always in top soil at ~~to~~ lava

Not with typical polycone, not with typical animal feet, or
flanged tripods,

Especially with flanged polycone, curved & incised nose, cylindrical
caps; negative printing

Lead & incised nose with anything.

Animal feet not with black nose, heavy red nose, flanged
tripods, flanged polycone, possibly not pyrite micros, polycone
(typical), negative f., brunt nose, heavy red nose, curved nose,

With lead, spreading feet, cylindrical cap(?), large cases.

~~Flanged tripods not with pyrite micros, lead, animal feet
flanged polycone, or large cases,
especially with neg. f., polycone, possibly black nose, certainly
brunt nose, certainly cylindrical caps, curved nose.~~

Lead not with pyrite, polycone, negative, black, brunt, heavy red,
flanged lead, (either hand) cylindrical caps.

With ~~animal feet tripods, spreading feet, large cases,~~
~~brunt nose~~

Cylindrical cup

10833, no distinct event - some level line

10835, mixed or pycnocline

Faint handwritten notes, possibly describing observations or data points related to the cup and water levels.

Further faint handwritten notes, continuing the description or analysis of the experimental setup or results.

Final faint handwritten notes at the bottom of the page.

2 part digest #3
~~Pyrrole~~ mirrors, flanged polychome,

flanged polychome the most exclusive, never with typical polychome or flanged trifoss, but with faint incised wave.

No pyrrole mirrors at 26 hpfol. (1 piece with gold, etc.)

Only black one at 26 hpfol from red III, together with long red wave, tall leg trifoss + fine black incised.

metal only at 26 hpfol ^{sl.} with white ~~or~~ red wave, pyrrole mirror, etc

P pyrrole mirrors with flanged polychome, negative, cylindrical cone + incised

Digest, Burkitt Guatemala

Mound A. Top digging:

11034-11036 scattered but near
 11037-11046 ~~Northern group~~ Probably one grave
~~11041~~ 037, 039, 040 from one group, rest from other
 11046-11047 scattered
 11048-11052 "
 11053-11061 one group
 11062-11065 n.e. quarter, not far separated
 11066-11072 probably one deposit
 11073-11084 " " " ; possibly same as 11048-11061
 078, 079, 080 inside of 077; 083, 084 together
 11085, 11086 together
 11087 separate
 11088-11093 grouped, especially 1st 3.
 11094- alone
 11095-11099 near together, also # 11135
 11000 alone
 11101-11134 unlocated

Mound A. Bottom digging Probably close together.
 11136-11139

Mound B

11140-11142 probably slightly separated
 11143-11144 probably from same burial
 11145-11149 " " " "
 11150 scattered
 11151, 11152 together
 11153-11156 probably not far separated
 11157, 11158 together
 11159, 11160 probably close
 11161 alone
 11162 "
 11163-11168 together, especially 165 & 166
 11169-11174 & 11805, probably together, possibly 11169-11172 and
 11173-11174 & 11805.
 11175-11180 in same neighborhood
 11181-11183 scattered
 11184-11186 near together
 11187-11190 one group, upper
 11191-11195 " " lower; probably 11184-11186; 11191-11195
 and 11221-11222 were one deposit
 11196, 11197 not together
 11198, 11199 & 11207 probably together
 11200 alone
 11201, 11202 near together
 11203, 11204 together
 11205, 11206 ~~separate~~
 11208-11210 near together
 11211-11215 " "
 11216-11220 " "
 11221-11222 not certainly same group
 11223-11232 one group

Chama, cont'd

~~11233-~~ alone
 11234-11235 probably together
 11236-11238 alone, not together
 11239-11242 probably together
 11243-11247 not together
 11248, 11249 together (former uncertain identification)
 11250, 11251 "
 11252-11264 scattered
 11265-11300 unlocated
~~11301~~
 11301-11306 uncertain whether Chama or Chipal
 11308 Quirigua

~~11309~~

Chipal

11309-11314 purchased; 311 and 312 probably together
 11315-11319 from a small hill
 11320- from another ruin
 11321, 11322 uncertain
 11323 Ruin #2
 11324-11369 Ruin #3 as below:

11324 Outside of chamber, above door
 11325-11368 Inside chamber tomb, all together
 11369 On top of chimney
 11370-11376 Ruin #14, from chamber tomb
 11377 " "
 11378-11433 & 11307 From ruin #18 as below:

11378-11383 from antechamber
 11384-11433 " chamber, also 11307
 11434-11464 from ruin #20
 11465-11472 from another ruin as follows:

11465, 11466 together, probably also here 11309-11314.
 11467-11469 "
 11470-11472 another part of ruin
 11473-11487 unlocated

All above purchased; localities by hearsay.

Chipal Excavations:

11488-11499 Group A as follows:
 11488-11492 together
 11493 probably with preceding group
 11494- alone
 11495-11499 unlocated

11500-11530 From Group B. (11323-11464 are from here also.)
 11500, 11501 Mound I, scattered, different burials
 11502-11523 Yard between Mounds 1 & 2.
 11506, 11507 together
 11509, 11510 "
 11513, 11514 "

Chipal

11516-11518 together
 11519-11523 one of burial urns and contents of 3
 11524-11530 From mound #5
 11524-11526 together
 11527-11528 "
 11529, 11530 uncertain
 11531- Group C
 11532-11534 Group D; 532 & 533 together; 534 alone.
 11535-11539 Group E; 538 & 539 together
 11540-11562 Group F as follows;
 11540-11545 from mound #1; all but last together.
 11546-11551 " " #3; probably chamber tomb
 11552-11555 " " #4; " " "
 11556-11562 " " s 3 & 4 both
 11563-11570 unlocated.

11571 San Francisco
 11572-11579 Tambor; probably same interment.
