Stela 32 (1st half)

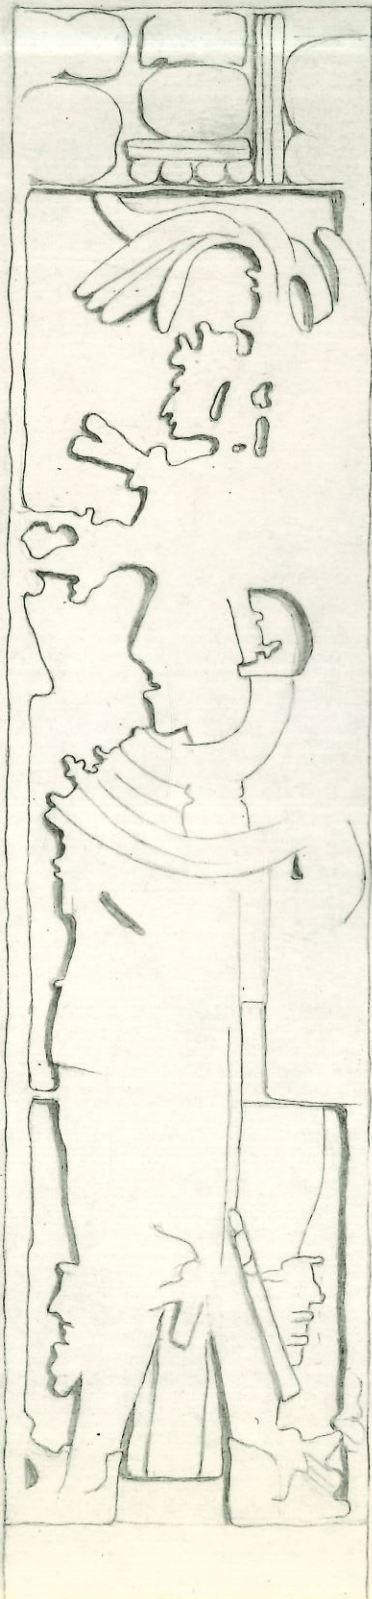

Maly
29.121

Drawing of left (front) shows little more
than in Maly Pl. 26a

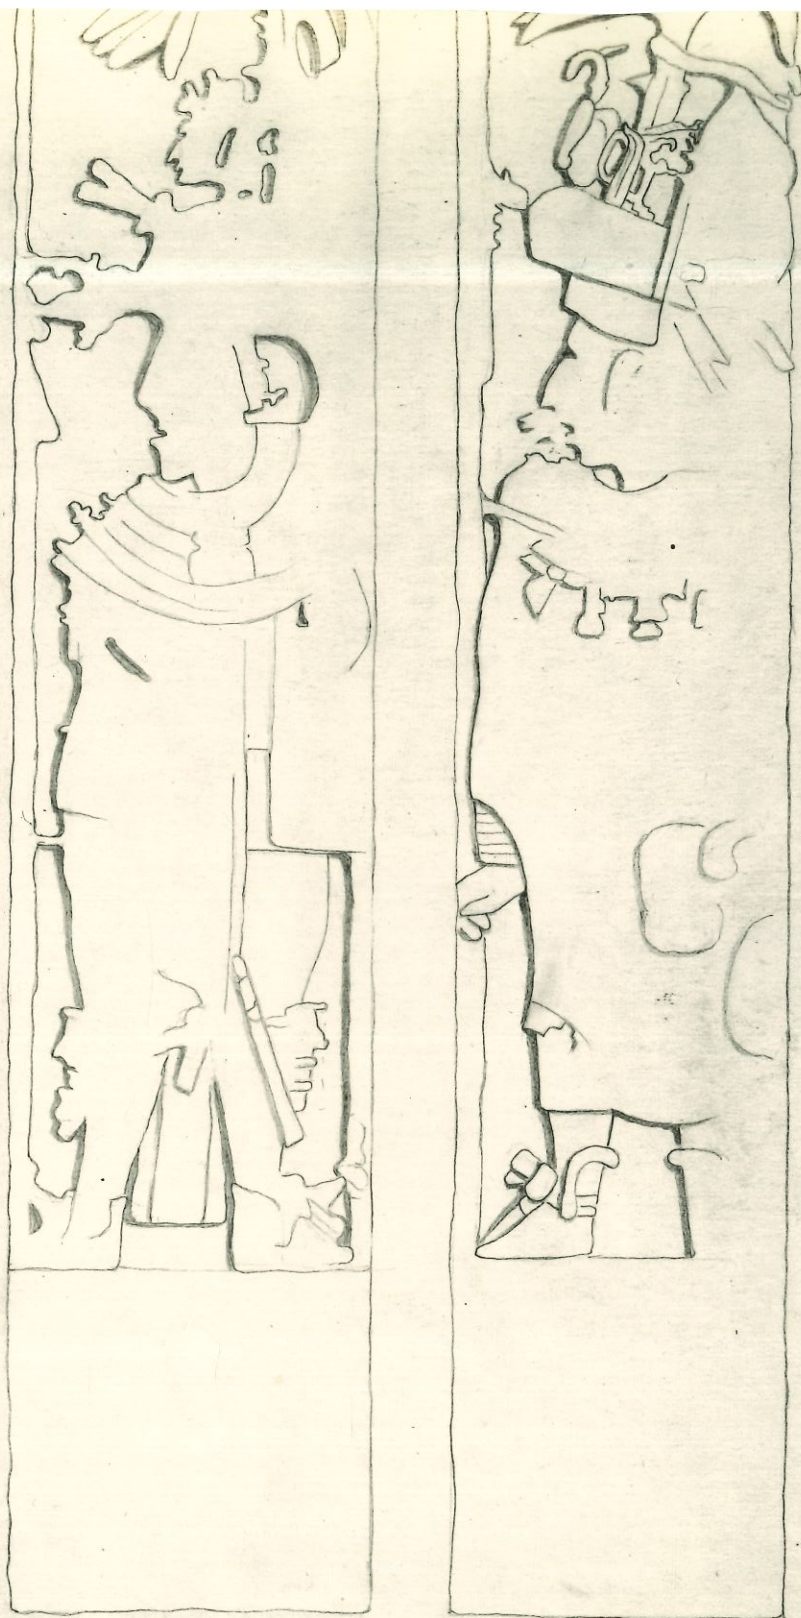

Glyphs on right are given better in
Maly Pl. 29c

but he does not seem to show glyphs on left
figure; these are probably as clear in
Maly 26a

Right figure gives some details, not so clear
in photo in Maly Pl. 121c
